

ANGEL OF GOLIAD COMMEMORATIVE BRICKS

To celebrate the historical preservation of the memory of Francisca “Panchita” Alvarez, the Angel of Goliad Descendants are enhancing the Angel statue located in Goliad, Texas by creating a pavilion around the existing statue.

This beautification project is aiming to create a pavilion which will include raising the statue to a more stately height, the addition of a brick surface surrounding the statue, decorative benches and possible landscaping throughout multiple stages of the development.

We are currently entering stage one of the project, allowing descendants and others to purchase a commemorative engraved brick or granite pavers to be displayed at the site of the statue. The commemorative bricks and pavers can represent your family or in memory of someone special. Brick and paver sizes and pricing are below.

If you would like to add your name or the names of loved ones to the history of the Angel of Goliad, please send your completed form with payment to: Gilbert R. Alvarez, 3300 Oswego Dr. Plano, Texas 75074.
